newesd team

The Board of Directors of NorthEast Washington ESD 101 endorses the following as sustained and important goals for the NEWESD 101 team for the 2018-19 year.

- ◆ Assure superintendent and staff visibility, support, and visitations to and with NEWESD 101 school districts.
- ◆ Maintain prudent fiscal management while expanding cost-effective and efficient service delivery and funding opportunities, assuring sufficiency in the agency's core budget *and* facilities.
- ◆ Sustain an ongoing review and update of NEWESD 101 policies and procedures.
- ◆ Identify and initiate new or innovative services to, and grant opportunities with, school districts that enhance student learning and support, and augment school district efficiencies.
- ◆ Continue work that assures ESDs together, and NEWESD 101 specifically, are a full partner with and regional representative of OSPI.
- ◆ Ensure the superintendent *and* leadership team, *and* the Board of Directors, play a key role in working with elected officials on issues of state and federal legislative advocacy (both for school districts in the NEWESD 101 region *and* for the value of ESDs), as well as working with and supporting elected representatives to local district school boards.
